

Pastoral Care:

Carole Davis continues to send anniversary and birthday cards. This is an ongoing ministry.

There has been no funerals that Pastoral Care has been asked to serve at.

We will be sending Christmas gifts to our home parishioners in December.

Every Tuesday Lunch Ministry:

We are continuing our sack lunches, due to covid. They include a sandwich, beverage, fruit, desert and a salty snack.

We also offer groceries, from the food bank and from the Eastside Food pantry. The food from the food pantry is delivered by MaryAnn, one of their volunteers.

Still keeping with our covid practice, I feel that we can include a few more volunteers. Sometimes unforeseen circumstances arise, keeping a volunteer at home. We have been operating on a limited amount of volunteers.

As winter approaches, we won't have the grocery table set up. If our guests want or need something, our pantry is available, we will try our best to assist.

We will be offering coffee, in cups with tops, starting the week of Thanksgiving. We also will serve turkey sandwiches , festive napkins and a special desert.

We continue to offer love, hope, prayers, friendship etc. and now a cup of hot coffee. Anything to try to be there for our less fortunate brothers and sisters, as Jesus has taught us to do!!!
