

On Friday Nov 11, 2022, the Outreach Committee delivered food collected by parishioners, donations from the Chorale group and the food left in the basement from Tuesday lunch program to Crossover. We also included \$130.00 that had been donated for the Thanksgiving baskets.

An online training program is being offered for Family Promise host and support church volunteers. St Paul's will also offer an in-person training. We hope to start rotation in Jan 2023. Date for St Paul's to host families is yet to be determined. Members of St Jude and St Dunstan will continue as support parishes.

Respectfully submitted, Barbara Mannor Senior Warden
