

Order of St. Luke
Annual Report 2022
January 22, 2023

The Order of St. Luke (OSL) is an international healing ministry, open to all denominations.

We meet once a month in the library. Our gatherings are open to all members of St. Paul's and other people interested in learning more about OSL.

Bill and I hosted a coffee hour where we had pamphlets and the Sharing magazine available to share with anyone that was interested in OSL.

On behalf of OSL I send cards to people that are ill, depressed, grieving and other difficult times. I am also in close contact with people that are grieving. I send four booklets, titled "The Journey Thru Grieving".

Father Don invited OSL members to be present during service, to offer prayer, and for me to anoint with oil anyone that desired healing prayer or to be anointed.

We studied "A powerful Joy" by Joseph K. Acton. A book of Lessons in Healing. We furthered our study at Camp Chickagami. Enjoying time together in prayer, reflection, services at the outside chapel, crafts, sharing meals and spiritual renewal.

The OSL headquarters offers opportunities for conferences, learning opportunities, classes and other opportunities to aid in healing ministry growth.
