

Diversity Committee Report

Celebration of February 2023 Black History Month

The Diversity Committee hosted Black History Month celebrations. We were privileged to host the 2nd Friday Art Walk featuring Flint born, African American artist, Carla Harden who showcased several new pieces and some old ones as well. Music was provided by St. Paul's organist Ed Arter on the Dalton Memorial Organ playing music written by African American composers.

The Diversity Committee also was proud to host the annual Absalom Jones service and luncheon on the 2nd Sunday of the month. We were honored to have as our guest speaker Rev. Sharinese Jackson, Pastor of the African Methodist Episcopal Church in Detroit Michigan.

Also featured daily during the month of February, was a Black History Fact on our Facebook page and on the St. Paul's Episcopal Church website.
