

## Junior Warden's Report

A walk thru was done to determine the places where there are issues with plaster that need to be repaired. There were 5 pages of notes taken.

A quote has been received and approved for a new dishwasher. This will also require Goyette to uninstall and install plumbing and electrical for the dishwasher.

The Building and Grounds Committee voted to not purchase an ice machine at this time.

A quote has been received and approved from Bill Carr Signs to update the times of service on the two monument signs.

MEI Elevator Solutions was notified about an issue with the phone in the elevator. A part has been ordered and issue will be fixed once part is received.

Submitted respectfully,

Rebecca Bennett  
Acting Junior Warden
